Dear Harish:

I have received and reviewed the addendum to the draft Site Inspection report for Texas Instruments (MAD007325814), located in Attleboro, MA. The author has adequately addressed the review comments that I provided to the State on June 6, 1990. I will enter the SI into CERCLIS as complete, with a recommendation for continued investigation under CERCLA (LSI recommended).

If you have any questions or comments, I may be reached at 573-9697.

Sincerely,

Nancy Smith
MA Site Assessment Coordinator
